

REMARKS

Applicants gratefully acknowledge the Examiner's indication that the application is in condition for allowance with the exception of formal matters. Accordingly, with this amendment, the specification has been amended to provide a more descriptive title, and the abstract has been amended to indicate that the invention is directed to a method of making a semiconductor device. In addition, claim 1 has been amended as suggested by the Examiner.

With the above amendments, applicants submit that the application is in condition for allowance. Early notification of allowance is respectfully requested.

Respectfully submitted,

DINSMORE & SHOHL LLP
